[Juvenile] That's right, Cash Money done  
took over this shit, motherfuckers.  
([Baby] We got it, Juvy, and you (??) )  
Y'all don't know how ta do it. I'ma  
show ya how to live (??). ([Baby] #1 stunnas.)  
Peep this shit out, lil' one:  
([Baby] This is how the fuck we do it, boy)

[Juvenile]  
My pockets flooded with money like it been rainin' for  
months  
Put Jackie Chan outta business, tha way that I live stunt  
Man, I'll spend fifty G's on just a chair and a sofa  
Got tired of all that drivin', so I got me a chauffeur  
Gettin' head watchin' TV on tha block of Magnolia  
Give tha kids twenty dollars when I open my door  
My grill like marble floors, was workin' with four  
After we score, I laid there and got me six more  
Now my body needs ta be treated, I'm 'bout to get  
weak  
Full of that shit, gon' kill that man, he got me hungry  
and greedy  
They call my watch tha North Pole cuz it's flooded with  
ice  
It's a...bitch in tha day, a motherfucker at night  
If somebody get my jewelry they'll be set for life  
Buy a house before tha wedding, and a ring for tha  
wife  
Money ain't shit ta me because I'm young and I'm  
blessed  
I don't..carry no cash, it's credit cards or checks

(Hook-4x [Juvenile])  
Actin' like a nigga that ain't never had shit  
Lookin' through my bend, sayin', "There's some  
asses."

[Baby]  
Nigga, I stretched tha Rover, stopped playin' with these  
hoes  
Got a hundred on my left, fifty on tha wrist, ho

[B.G.]

Fuck, I be shinin' from tha clothes, cars, jewelry  
Got seven-year-old children wan' grow up to be like me

[Baby]

Niggas pullin' up, drivin' off tha showroom floor  
Got a mouth full of gold so I can boot these hoes

[B.G.]

Somebody asked me tha time, I just had ta look back  
Showed them tha baguettes on my watch and say how I  
could see that

[Baby]

Got trillion cut earrings so I can blind these hoes  
I'm tha number-one stunna fuckin' rap-hoes (rap-hoes)

[B.G.]

Stun'n is a way of livin', ya fuckin' with my clique  
Try ta pay tha dealership that sell tha shit that don't  
exist

[Baby]

I got all my hoes ridin' Lexus coupe, two-door  
Put tha Cadillac up, it was movin' too slow

[B.G.]

We Cash Money stunnas - money long as tha street  
You wan' verify our cash, go ask First NBC, nigga

(Hook-4x [Juvenile])

[Turk]

Look, look

Bitches...say I stunt too much

It's o...kay cuz I can back it up

Know you gon'...let me...do what I do

Rock my Rolie, ride drop-tops, too

'Til tha day I die, I'm gon' shine

Drive top-of-tha-line

Pop bottles of wine

Break bread with my clique of niggas...niggas

Toss hoes, take naked pictures...pictures

Rap, hustle, get paid, nigga...nigga

Try not to get a big head, nigga...nigga

Look, you like my watch, ha

You like my ring, ha

You like tha way it look and how it \*bling\*bling\*, ha

I got so many karats, I could feed ten rabbits

Got so much ice, cool me down when I wear it

Every nigga in my clique...bubble and glide

Every nigga in my clique sittin' low and high

(Hook-4x [Juvenile])
