Under the arc of weather stained boards
Ancient goblins, and warlords,
Come out the ground, not making a sound,
The smell of death is all around,
And the night when the cold wind blows
No one cares, nobody knows.

I don't want to be buried in a pet sematary
I don't want to live my life again,
I don't want to be buried in a pet sematary
I don't want to live my life again.

Follow victor to the sacred place
This aint a dream, I can't escape
Molars and fangs, the clicking of bones,
Spirits moaning among the tombstones,
And the night, when the moon is bright,
Someone cries, something aint right.

I don't want to be buried in a pet sematary
I don't want to live my life again,
I don't want to be buried in a pet sematary
I don't want to live my life again.

The moon is full, the air is still,
All of the sudden I feel a chill,
Victor is grinning, flesh rotting away,
Skeletons dance, I curse this day,
And the night when the wolves cry out,
Listen close and you hear me shout.

I don't want to be buried in a pet sematary
I don't want to live my life again,
I don't want to be buried in a pet sematary
I don't want to live my life again, oh, no, oh, no
I don't want to live my life again, oh, no, oh, oh
I don't want to live my life again, oh, no, no, no
I don't want to live my life again, oh, oh
