We share a room and the bed  
Brother dear please go right ahead  
Brother dear come touch me here  
Slide to me so close and near  
By the bed a big black hole  
In they jump all the sheep  
Much too old but I count them still  
But I cannot fall asleep  
Past my navel in the bush  
Waiting there white fantasies  
Brother dear come hold me tight  
And shake for me leaves from the trees  
Play a game with me  
Give me your hand and  
Play with me  
A game  
Play with me  
A game  
Play with me  
'Cause we're alone now  
Play with me

Father mother child  
My brother dear hand in pain  
He rolls back over once again  
My brother helps me now and then  
So that I may sleep again  
Play a game with me  
Give me your hand and  
Play with me  
A game  
Play with me  
A game  
Play with me  
'Cause we're all alone  
Play with me  
Father mother child
