"Shtil"

Visit "[Shtil](#)" on MotoLyrics.com

Shtil'- veter molchit
Upal beloј chajkoј na dno
Shtil'- nash korabl' zabyt
Odin, v mire skovannom snom

Mezhdu useh vremen
Bez imen i lic
My uzhne ne zhdem
Chto prosnetsia briz

Shtil'- shodim s uma
Zhara pahnet chernoј smoloј
Smert' odnogo lish' nuzhna
I my, my vernemsia damoј

Ego krov' i plot'
Unov' nasytit nas
A za smert' 'emu
Mozhet. Bog vozdst

Chto nas zhdet, more hranit molchan'e
Zhazhda zhit' sushit serdca do dna
Tol'ko zhizn' zdes' nichego ne stoit
Zhizn drugih, no ne tvoia

Net, grom ne grianul s nebes
Kogda pili krov 'kak zver'e
No nesterpimym stal blesk
Kresta, chto my luzhnym zovem

I v postlednij mig
Podnialas' volna
I razdalsia krik
Vpered i zemlia

Chto nas zhdet, more hranit molchan'e
Zhazhda zhit' sushit serdca do dna
Tol'ko zhizn' zdes' nichego ne stoit
Zhizn drugih, no ne tvoia

Shtil'- veter molchit
Upal beloј chajkoј na dno

Shtil'- nash korabl' zabyt
Odin, v mire skovannom snom

Shtil'.....

Chto nas zhdet, more hranit molchan'e
Zhazhda zhit' sushit serdca do dna
Tol'ko zhizn' zdes' nichego ne stoit
Zhizn drugih, no ne tvoia (3x)
