Moskau Lyrics

Artist(Band):Rammstein with tatu

(English translation)

This song is about the most beautiful city in the world. Moscow!

This city is a prostitute
She has red spots on her forehead
Her teeth are made of gold
She's fat and yet so lovely
Her mouth falls to my valley
when I pay her for it
She takes off her clothes but only for money
The city that keeps me in suspense

Moscow

One, two, three!

Moscow

Look!
Pioneers are going there, [1]
singing songs to Lenin.

She is old and nevertheless beautiful
I can't resist her

I can't resist

She powders her old skin
and has gotten her breasts rebuilt

rebuilt

She makes me horny I suffer torment
She dances for me I have to pay

I have to pay
