"White Flesh"

You in the schoolyard
I'm ready to kill
and nobody here knows of my loneliness
Red welts on the white skin
I'm hurting you
and you whimper loud
Now you are scared
And I am ready
My black blood
soils your dress
Your white flesh excites me so
I am just a gigolo
Your white flesh enlightens me
My black blood
and your white flesh
I'm getting more excited by your screams
The sweat of fear on your white forehead
It is hailing into my sick brain
Your white flesh excites me so
I am just a gigolo

My father was just like me
Your white flesh enlightens me
Now you are scared and I am ready
My sick existence screams for redemption
Your white flesh becomes my scaffold
In my heaven there is no god
Your white flesh excites me so
I am just a gigolo
Your white flesh enlightens me
My father was just like me
Your white flesh excites me so
Sadly I am a gigolo
Your white flesh enlightens - me
