YOU Hate
you
you hate
you hate me (all x2)

you hate me
you hate me, asked
you hate me, asked
you hate me, asked in demand and I said nothing

You want to die, you separate it, to be faithful for all of
the days...

Never
Never
you
you hate
you hate me
you
you hate
you hate me
you hate me
you hate me asked
you hate me asked
you hate me asked and i said nothing

You want to die, you separate it, to be faithful for all of
the days...

Never
Never
You want up, to the death of the sheath it loves you
also in bad days....

Never
Never
You want to die you separate it to be faithful for all
days...

Never
Never
you want up to the death of the sheath it loves you also
in bad days..
Never
Never

(repeats the last 4 lines over and over)
