I met her at the 7-11  
Now I'm in 7th heaven  
Tell me, tell me  
Can this be true  
I never though I'd ever  
meet a girl like you

She was standing by the Space Invaders  
So I said can I see you later  
Yeah we went for a little spin  
Down to the Holiday Inn

We was young and in love  
We was young and in love  
And you're the only girl  
I'm ever thinking of

We went down to the record swap  
The kids were dancing  
to the blitzkrieg bop  
Bop-shoo-wop shoo-wop shoo-wop  
Bop-shoo-wop shoo-wop shoo-wop

What ever happend to the radio  
And where did all the fun songs go  
Summer fun, with the Beach Boys on  
But we all know what went wrong  
Oh-wo-wo

We was young and in love  
We was young and in love

And you're the only girl  
I'm ever dreaming of

And we went down to the dance  
Which turned into a whole romance  
And after just one night  
I never knew that things could be so right  
Oh-no-no-no-no-no-no-no

I kissed her and hugged her

And I said good-bye  
Last thing I knew  
She wouldn't make it alive  
Oncoming car went out of control  
It crushed my baby  
And it crushed my soul  
Now all I've got is sorrow and pain  
Standing out here in the rain  
The crash, shattering glass  
The sirens, and pain  
Is driving me insane oh-yeah

We was young and in love  
We was young and in love  
And you're the only girl  
I'm ever thinking of  
Yeah, yeah, yeah, yeah, yeah
