[Originally by Dave Clark Five]

Any way you want it
You can call me any day - ay, hey, hey
Any way you want it
You can always hear me say - ay, hey, hey

It's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alright, it's alright
Any way you want it
It's the way it will be

You don't want money
You don't want a diamond ring - ay, hey, hey
You say you want my lovin' more than any other thing -
ay, hey, hey

It's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alright, it's alright
Any way you want it
It's the way it will be

Any way - any way you want it
That's alright by me

Any way - any way you want it
That's the way it will be

Any way you want it
You can call me any day - ay, hey, hey
Any way you want it
You can always hear me say - ay, hey, hey

It's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alright, it's alright
Any way you want it
It's the way it will be

Any way - any way you want it
That's alright by me

Any way - any way you want it

That's the way it will be

Any way you want it
You can call me any day - ay, hey, hey
Any way you want it
You can always hear me say - ay, hey, hey

It's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alright, it's alright
Any way you want it
It's the way it will be

That's the way it will be
That's the way it will be
That's the way it will be
