You've got to pick up the pieces come on sort your  
trash  
Better pull yourself back together, maybe you've got  
too much cash  
Better call, call the law when you gonna turn yourself in  
yeah  
Your a politician don't become one of Hitler's children  
Bonzo goes to bitburg and goes out for a cup of tea  
As I watched it on tv somehow it really bothered me  
Drank in all the bars in town for an extended foriegn  
policy  
Pick up the pieces  
No no no my brain is hanging upside down  
No no no I need something to slow me down  
No no no oooo yeah yeah my brain is hanging upside  
down  
No no no and I need something to slow me down

Should I wish you happiness? we deserve the very best  
50, 000 dollar dress, shakin hands with your highness  
See through you like cellophane you watch the world  
complain,  
But you do it anyway--who am I, am I to say  
Bonzo goes to bitburg and he'll stop for a cup of tea  
As I watched it on tv somehow it really bothered me  
Drank at all the finest bars in town for an extended  
foreign policy  
Pick up the pieces  
No no no my brain is hanging upside down  
No no no I need someething too slow me down  
No no no oooo yeah yeah my brain is ahnging upside  
down  
No no no and I need something to slow me down  
If there's one thing that makes me sick is when  
someone tries to hide behind politics  
Wish time would go by fast, somehow they always  
manage to make it last  
No no no my brain is ahnging upside down  
No no no I need something to slow me down  
No no no oooo yeah yeah my brain is ahnging upside  
down  
No no no and I need something to slow me down
