i lied, i lied
come back, come back
come back, she cried
i lied, i lied
i tried, i tried
come back, come back
come back, she cried
i lied...
oh oh no nothing to worry about
oh oh no nothing to worry about
i lied, i lied
come back, come back, come back she cried
i walked out, i walked out, i walked out
down the drain
of something else, i was in it
so silly, so unfair, she stayed standing there
oh oh no nothing to worry about
oh oh no nothing to worry about
i lied, i lied
come back, come back
come back, she cried
i lied, i lied
i tried, i tried
come back, come back
come back, she cried
oh oh no nothing to worry about
oh oh no nothing to worry about
i lied, i lied
come back, come back
come back, she cried
i freaked out, i freaked out, i freaked out
is the water as high as it'll get
super wet, mom told me,
every chance i have seen
trying to get clean
oh oh no nothing to worry about
oh oh no nothing to worry about
i lied, i lied
come back, come back
come back, she cried
i lied, i lied
i tried, i tried

come back, come back
come back, she cried
i lied, i lied
oh oh no nothing to worry about [x6]
