I had enough, I had it tough  
I had enough of that crummy stuff

Crummy  
Crummy Stuff  
Crummy  
Crummy Stuff

I had enough, I had it rough  
I had enough of that crummy stuff

Crummy  
Crummy Stuff  
Crummy  
Crummy Stuff

Crummy music, crummy TV  
Crummy people, crummy movies  
Like a cat caught up a tree

This could only happen to me

I had enough, I had it rough  
I had enough of that crummy stuff

Crummy  
Crummy Stuff  
Crummy  
Crummy Stuff

I had enough, I had it rough  
I had enough of that crummy stuff

Crummy  
Crummy Stuff  
Crummy  
Crummy Stuff
