"Daytime Dilemma"

Visit "[Daytime Dilemma](#)" on MotoLyrics.com

She came from a happy home
A very happy home a very happy home

Miss personality, a grade 'a' student naturally
She had it all worked out but things aren't what
They seem is this real or just a dream?
And things will never ever be the same again

She came from a happy home
A very happy home a home of happiness

Miss personality, a grade 'a' student naturally
She had it all in place but things aren't what
They seem is this real or just a dream?
Things will never ever be the same again

The dangers, it's the dangers of love
The dangers, it's the dangers

She came from a happy home
A very happy home a very happy scene

She caught him with another it turns out it
Was her mother what a tragedy can things be
What they seem is this just some crazy dream
Things may never ever be the same again

The dangers, it's dangers of love
The dangers, it's the dangers

Keep telling li-ie-ies, but you dis you know you did
It's coming, . it's coming, . it's coming

The dangers, it's the dangers of love
The dangers, it's the dangers

What went wrong she couldn't tell but we know
It all too well

The dangers, it's the dangers of love
The dangers, it's the dangers
