Verse:

Don't pour out all the oil  
it isn't very good for the soil  
don't waste the only fuel that we have

Chorus:

the lawnmower needs some gasoline  
and i need some for my camero  
don't pour it down the driveway  
not today or tomorrow  
i really wanna take a bath  
in the brown, think sludge  
it looks pretty tasty  
it smells a lot like fudge

Verse:

My pants are all brown  
do you see my scary frown  
that means i probably want to pound on you

Chorus:

the lawnmower needs some gasoline  
and i need some for my camero  
don't pour it down the driveway  
not today or tomorrow  
i really wanna take a bath  
in the brown, think sludge  
it looks pretty tasty  
it smells a lot like fudge
