She was a really good friend, a really
Good friend to me, yeah. She was a really
Good friend, a really good friend to me, yeah
But they took her away tossed her in the bin
Now she's hanging out in East Berlin, ow-ooo
She had a very bad affair with some cat from
Hiroshima she turned into a head of lettuce
She eats Thorazine in her farina but they took
Her away tossed her in the bin now she's hanging
Out un East Berlin, ow-ooo
And everytime I eat vegetables it makes me think
Of you and everytime I eat vegetables I don't know
what to do, to do ow-ooo
