A really good friend to me, yeah

She was a really good friend

A really good friend to me, yeah

But they took her away

Tossed her in the bin

Now she's hanging out

In East Berlin, ow-ooo

She had a very bad affair

With some cat from Hiroshima

She turned into a head of lettuce

She eats Thorazine in her farina

But they took her away

Tossed her in the bin

Now she's hanging out

In East Berlin, ow-ooo

And everytime I eat vegetables

It makes me think of you

And everytime I eat vegetables

I don't know what to do, to do ow-ooo
