She was a really good friend  
A really good friend to me, yeah  
She was a really good friend  
A really good friend to me, yeah

But they took her away  
Tossed her in the bin  
Now she's hanging out  
In East Berlin, ow-ooo

She had a very bad affair  
With some cat from Hiroshima  
She turned into a head of lettuce  
She eats Thorazine in her farina  
But they took her away  
Tossed her in the bin  
Now she's hanging out  
In East Berlin, ow-ooo

And everytime I eat vegetables  
It makes me think of you  
And everytime I eat vegetables  
I don't know what to do, to do ow-ooo
