Gonna take a chance on her one bullet in the cylinder  
And in a moment of passion gonna get the glory like  
Charles Manson

Gonna smile, I'm gonna laugh you're gonna get a  
blood bath  
And in a moment of passion gonna get the glory like  
Charles Manson

You gotta go go go go goodbye, glad to see you go go  
go go goodbye,  
glad to see you go go go go goodbye, glad to see you  
go go go go goodbye  
glad to see you go go go go goodbye, glad to see you  
go go go go goodbye

Now I know the score I don't need you anymore  
Don't want you cause you're a bore

I need somebody good I need a miracle  
Should I take a chance on her? One bullet in the  
cylinder!

Gonna smile, I'm gonna laugh, they're gonna want my  
autograph  
And in a moment of passion get the glory like Charles  
Manson

You gotta go go go go goodbye, glad to see you go go  
go go goodbye,  
glad to see you go go go go goodbye, glad to see you  
go go go go goodbye  
glad to see you go go go go goodbye, glad to see you  
go go go go goodbye  
Go go go go goodbye, goodbye,  
goodbye, goodbye, goodbye, goodbye!
