There's no, no kicks to try
Another holiday
I wonder why
There's no, no kicks to try

I got one thing on my mind
I'm in trouble all the time
When the folks aren't around
It's safe to turn the stereo down

There's no, no rules to break
Sit here in my room and I cry
Another Holiday
I wonder why

I got one thing on my mind
I'm in trouble all the time
[Kicks To Try lyrics on]

Met some guy who spat on me
It's the same every week

There's nothing new to try
Another Holiday
I wonder why
There's nothing new to try

Got one thing on my mind
I'm in trouble all the time
Everything's really banged up
Everyday's like the last one

There's no, no kicks to try
Another holiday, I wonder why
There's no, no kicks to try
Another holiday, I wonder why
