Verse 1:

Lisa got a haircut  
another one today  
she stuck a pair of scissors up her butt  
And now she cries all day

Chorus:

From a mohawk to a mullet  
from shaved head to a bullet  
she chops off her hair  
But I don't really care  
She had hair down to her underwear  
she even grew a beard  
but most guys weren't impressed with that  
they all thought that was weird

Verse 2:

She started changing colour  
a new one everyday  
last week she had it purple  
all the kids thought that was lame

Chorus:

From a mohawk to a mullet  
from shaved head to a bullet  
she chops off her hair  
But I don't really care  
She had hair down to her underwear  
she even grew a beard  
but most guys weren't impressed with that  
they all thought that was weird

Verse 3:

Lisa is a maniak  
she cut off all her hair  
she even had her tounge pierced  
and tatoood ugly stare

Chorus:

From a mohawk to a mullet  
from shaved head to a bullet  
she chops off her hair

But I don't really care  
She had hair down to her underwear  
she even grew a beard  
but most guys weren't impressed with that  
they all thought that was weird

Bridge:

But the boys in the back don't think she's very pretty  
And the guys in the front will always call her witty  
But when you've got a hair cut that really looks that  
shitty  
Its no doubt they'd probably spit on both your mittys

Chorus:

From a mohawk to a mullet  
from shaved head to a bullet  
she chops off her hair  
But I don't really care  
She had hair down to her underwear  
she even grew a beard  
but most guys weren't impressed with that  
they all thought that was weird

They all thought that was weird (x3)
