Everybody said so man you could see it on T.V.
They stood there ashamed with nowhere to go
Nobody wants them now the kids are alright
Every day is a holiday and pushin' people around

I'm making monsters for my friends
I'm making monsters for my friends

Someone caught one I could see so myself
I had to call 254 so they wouldn't blame me
We wanted to know how much trouble there was
When we asked our daddy he said it's just because

[Making Monsters For My Friends lyrics on]

I'm making monsters for my friends
I'm making monsters for my friends

I don't wanna open a can of worms and I don't want any
Spagetti-O's
And I could always tell when someone is holding a
grudge

I'm making monsters for my friends
I'm making monsters for my friends
I'm making monsters for my friends
I'm making monsters for my friends
