[Lil' Wayne]  
Whoa, whoa  
The Big Tymers, nigga  
Who? Who?  
The Big Tymers, nigga  
Huh?  
Get it right

[Juvenile + (Lil' Wayne)]  
Bentley interior - I lay back on it  
Every time a nigga see me it's a Kodak moment  
Now, I ain't the one to brag (Nope)  
But I bought myself a Hummer, my brother a Jag (For sure)  
I'm takin' all the hoes, and I'm makin' you mad (Yeah)  
You violate my household, I'm bustin' your ass  
Is you listenin'?  
Do you see my ice when it's glistenin'?  
'Cause if you're with that baller blockin', niggas comin'  
up missin' then

[Lil' Wayne]  
I need a (?) to get right up in my new Prowler  
And put her lips tight on this pipe to suck out the problems  
Need a Rolex with princess cuts all at the bottom  
Need a kit with twenty-inches on the car that I'm drivin'  
Went from dimes to quakes, to money like Bill Gates  
Doin' a-hundred on interstates  
in Hummers on thirty-eight's  
See, we are the CMB, my nigga  
Fresh, Baby, Hot Boys, and Wheezy Whee, my nigga  
What

(Hook [B.G.])  
Wherever it's poppin' - we stoppin'  
But if it ain't hot then - we not then  
Wherever it's twurkin' - we workin'  
She got to be slurpin' - for certain

[Turk]

Project and hood rat bitch is who I like  
A bitch that's 'bout ridin', and goin' on flights  
[Mannie Fresh]  
What  
I met this bitch in Cabrini Green - a nasty hoe  
Liked that dick from the back,  
and you could {low cough} in her throat  
[Turk]  
A bitch that's 'bout hustlin' and smugglin' work  
Head bustin' and thuggin' just like Turk  
[Mannie Fresh]  
A wild bitch off Grave Street doin' her thing  
Big ass, big tits, and she loved eatin' ding-a-ling  
[Turk]  
I need a black hoe (black hoe) - one with the braids in  
her head  
Workin' with some ass that could give good head  
[Mannie Fresh]  
Can't forget about this bitch up in Philly on Richard  
Island  
Freak-nasty bitch that's always swallowin'  
[Turk]  
Stickin' to the G-Code, Ree's, and Girbauds  
Got hands and 'bout strappin', quick to beat a hoe  
[Mannie Fresh]  
Oops, almost forgot about Tasha up in the watts  
A hot girl for sure that stayed drop-me-like-it's-hot

(Hook [B.G.])  
Wherever it's poppin' - we stoppin'  
But if it ain't hot then - we not then  
Wherever it's twurkin' - we workin'  
She got to be slurpin' - that's for certain

[Baby + (Lil' Wayne)]  
Bitch, I'ma be stun'n until the day I go (What?)  
Bentley's and Hummers, and drop Di-a-blos (What?)  
Runnin' with niggas that don't love no hoe (What?)  
Platinum grill 'cause, bitch, I'm done with gold

[Lil' Wayne]  
Hey,  
Now, you know it's Lil' Wheezy off the heezy  
Believe me - whoa  
Hot like pepper, slidin' out the Kompressor slow  
Me and your wife - slut, don't slam my door  
Cut on the lights - look how the damn watch glow

[Baby + (Lil' Wayne)]  
Hold up, Wayne (What)  
You know what, Wayne (Whoa)

I'ma get in this bitch and do donuts, man

[Lil' Wayne]

Now wait, Bubble

You gon' make me go buy a Grape Hummer

And put my name in diamonds on the license plate,  
cousin

[Baby]

Now, peep me, slick

I got a hoe out the project that eat the dick

She a freaky bitch

[Lil' Wayne]

Nigga, you know it's Iceberg, boy - straight off the  
block

With the number-one stunna, and we blazin' hot

What

(Hook [B.G.]

Wherever it's poppin' - we stoppin'

But if it ain't hot then - we not then

Wherever it's twurkin' - we workin'

She got to be slurpin' - for certain

Wherever it's poppin' - we stoppin'

But if it ain't hot then - we not then

Wherever it's twurkin' - we workin'

She got to be slurpin' - that's for certain
