I see trees of green, red roses too.  
I see them bloom for me and you.  
and I say to myself what a wonderful world.

I see skies of blue and clouds of white.  
bright sunny days, dark sacred nights,  
and I think to myself what a wonderful world.

The colors of the rainbow are so pretty in the skies.  
Are also on the faces of people walking by.  
I see friends shaking hands sayin' "how do you do?".  
They're really saying "I love you".

I see babies cry, I watch them grow,  
they'll learn much more than I'll ever know.  
And I think to myself what a wonderful world.

Yes I think to myself what a wonderful world.  
And I say to myself what a wonderful world.
