What I like about you  
You hold me tight  
Tell me I'm the only one  
Wanna come over tonight?  
Keep on whispering in my ear  
Tell me all the things that I want to hear  
'Cause it's true  
That's what I like about you  
What I like about you  
You really know how to dance  
When you go up down, jump around  
Talk about about true romance  
Keep on whispering in my ear  
Tell me all the things that I want to hear  
'Cause it's true  
That's what I like about you  
That's what I like about you  
That's what I like about you  
What I like about you  
You keep me warm at night  
Never wanna let you go  
You know you make me feel alright  
Keep on whispering in my ear  
Tell me all the things that I want to hear  
'Cause it's true  
That's what I like about you  
That's what I like about you  
That's what I like about you  
That's what I like about you  
That's what I like about you  
That's what I like about you  
That's what I like about you
