The rooms were so much colder then  
My father was a soldier then  
And times were very hard  
When I was young  
When I was young

I smoked my first cigarette at ten  
And for girls I had a that yen  
And I had quite a ball  
When I was young

When I was young it was more important  
Pain more painful and laughter much louder, yeah  
When I was young  
When I was young

And I learned quite a lot  
When I was young  
When I was young

When I was young it was more important  
Pain more painful and laughter much louder, yeah  
When I was young  
When I was young

My faith was so much stronger then  
I believed in fellow men  
And I was so much older then  
When I was young  
When I was young  
When I was young...
