see you all the time

Never see you smile

I try to picture what's going on in your mind

He leaves you every night by yourself

He took your love and put it on the shelf

He doesn't really care... how you feel...

You should be moving on girl what's the deal?

I wanna see you out that door... cause girl you know
you're worth much more

So baby tell me why you stick around

Always lonely and you only wear a frown

He don't treat you good and you know

The only thing left is for you to go

You shouldn't live a lie with someone

When deep inside you know he ain't the one

I don't know what to say no more

I wanna see you out that door
Yah azizi (yo precious) is mahini (listen to me)

I really don't wanna see u cry

Mujko samjho dil peh mat lo (understand me don't take
it to heart)

Don't wanna see another tear in your eye

Baby break away

Let him go

I don't know he's done to you

But I know that it's time to move on

Girl your love is blind

Girl I understand

That you're scared

And you feel that you might never love again

But baby that ain't true

No no no

I know that there some there for you

Someone that will see

That you are worth

An undiscovered treasure on this earth

Girl you know you're worth so much more

I wanna see you out that door

Yah azizi (yo precious) is mahini (listen to me)

I really don't wanna see u cry

Mujko samjho dil peh mat lo (understand me don't take
it to heart)

Don't wanna see another tear in your eye

Baby break away

Let him go

I don't know he's done to you

But I know it's time to move on

Girl your love is blind

Yah azizi (yo precious) is mahini (listen to me)

I really don't wanna see u cry

Mujko samjho dil peh mat lo (understand me don't take

it to heart)

Don't wanna see another tear in your eye

Baby break away

Let him go

I don't know he's done to you

But I know it's time to move on
