I see you all the time
Never see you smile
I try to picture what's going on in your mind
He leaves you every night by yourself
He took your love and put it on the shelf
He doesn't really care... how you feel...
You should be moving on girl what's the deal?
I wanna see you out that door... cause girl you know
you're worth much more

So baby tell me why you stick around
Always lonely and you only wear a frown
He don't treat you good and you know
The only thing left is for you to go
You shouldn't live a lie with someone
When deep inside you know he ain't the one
I don't know what to say no more
I wanna see you out that door

Ya azizi (my dear) ismaeeni (listen to me)
I really don't wanna see u cry
Mujhko samjo dil pe mata lo (understand me don't take
it to heart)
Don't wanna see another tear in your eye
Baby break away
Let him go
I don't know what he's done to you
But I know that it's time to move on
Girl your love is blind

Girl I understand
That you're scared
And you feel that you might never love again
But baby that ain't true
No no no
I know that there is someone there for you
Someone there will see
That you are worth
An undiscovered treasure on this earth
Girl you know you're worth much more
I wanna see you out that door

Ya azizi (my dear) ismaeeni (listen to me)
I really don't wanna see u cry
Mujhko samjo dil pe mata lo (understand me don't take
it to heart)
Don't wanna see another tear in your eye
Baby break away
Let him go
I don't know what he's done to you
But I know it's time to move on
Girl your love is blind

Ya azizi (my dear) ismaeeni (listen to me)
I really don't wanna see u cry
Mujhko samjo dil pe mata lo (understand me don't take
it to heart)
Don't wanna see another tear in your eye
Baby break away
Let him go
I don't know he's done to you
But I know it's time to move on
