It's 9:42  
I'm still playing with this beat  
And my girl, she fell asleep  
Oh God! She's so sweet

Now it's ten o'clock  
I thought I'ma take her walk  
We're gonna be walking in the park  
And we'll be kissing in the dark

And I think we can  
Make it our promise land  
We'll be happy and  
We'll live together till the end

(Chorus)  
And I hate to admit it, but I'm so in love with you  
Well it's not secret anymore, I can't keep it anymore  
And I hate to admit it, but I'm so in love with you  
Well it's not secret anymore, I'm addicted to your love

Your love makes me high  
Your love drives me wild  
It makes me feel like I'm in the sky  
Your love makes me cry

And I think we can  
Make it our promise land  
We'll be happy and  
We'll live together till the end

(2x)

(Chorus)

(Bridge)

You gave me so much education  
You gave me all the right direction  
You gave me your love and affection  
Because baby, you're my inspiration

(Chorus) [2x]
