Making music that you guys understand
And if you guys like it, we appreciate it, then...
Let's start the show, rock the boat, but don't stop
because you can't stop the flow
Go on dressed up, because the party's about to start
on one, two, three, four!

(Chorus)

Indahnya warna warni dunia dunia yang terasa indah
di dalam asaku
Oh betapa indah hidup ini saat ku dimabuk asmara
Oo getar-getar cinta yang telah tumbuh diantara kita
Menambah indahnya kisah cinta kita berdua

(Chorus)

Yeah, when I saw you on friendster
Then I added you as my friend
Girl, my mind was always full of you
Girl, waste no time because I wanna tell you it's true

That I love you and you love me
We're gonna make a happy fa, ily
I'm Rayi and that's it from me

(Chorus)

Don't run, because we about to have fun

(repeat)
