[Chorus:]

I belong to You,  
I belong to You,  
I belong to You,  
(Yours all alone).  
ooh, oh.

(Mind, body, and soul),  
(why don't You take me),  
(make me what You want me to be).

I belong to You,  
I belong to You,  
I belong to You,  
(I'm Yours all alone),  
ooh, oh.

(Mind, body, and soul),  
(why don't You take me).

[Verse 1:]

You see, You saved  
my soul from a burning hell,  
and right now, I'm so glad I can tell...

[Chorus 2:]

I belong to You,  
I belong to You,  
I belong to You,  
(I'm Yours all alone).

[Verse 2:]

You're the Spirit  
that lets me sleep at night,  
then I wake up early in the morning,  
knowing everything's gonna be alright.

[Chorus 2]

[Ending:]

I belong to You.

I belong to You.  
I belong to You.
