Oh, radio

It's 6:11 and sixty two

At First Southern with the cool drive through

Goody's I can see

It's fast cash and free checking Walmart and GNC

Car wash is flashing, it's half price signs

Oh babe, what I'd give to see them flash in your eyes

Yeah, and looking across the road from Domino's

And Urban's on the country radio

Oh, I wanna cry in stereo

Enhanced by that Aussie audio

I see your name in the subway lights

Those dim blue letters seem bluer tonight

Yeah, I gotta quit counting these you less days

Eat take our pizza's or just stay out late

Yeah, I'm all by myself

Ain't that how it goes

Urban's on the country radio

Oh, I want to cry in stereo

Enhanced by that Aussie audio

Yeah, Urban's on the country radio

Urban's on the country radio

Radio

Oh, the same ole, same ole, same ole radio
