Solitude may sometimes do.
Love implies an endless sigh of goodbyes

Anyway, Iâve travelled far
just to find that home is still where you are.

Âcause somewhere thereÂs a place
where you can fall from grace
and join the human race.
Could this be the place?
Somewhere thereÂs a pain
that forces you to change
and plants a tiny grain.
Could you be that pain?

Does it even matter
at the end of the day?

Who would you call truly blessed?
Everyone has their test and their conquest

ItÂs OK, here comes the train,
and its sweet refrain of freedom will reign

Somewhere...
