You Changed Direction by Randi Laubek from the album: Ducks and Drakes

Music: Randi L./Anders P. Jensen

Words: Randi L.

Take all your fantasies

Blend them and see what you get

A wizard with a magic won

A world loving me as I am

Only I can choose if I live

To receive or to give

Only I can change my wrong complexion

But you changed direction

You showed me the connection

Between when Im doubting

And when I believe

If roars turn to whispers

I still think I'll hear when you call me

(you can call me)

Time carries winter it turns into summer

I remember it all

Only I can choose if I live...etc.

But you changed direction...etc.

Lovers flame calls my name

Loves coming easy

When loves feeling she has a home

Lovers flame calls my name

Faiths coming easy

When faiths feeling he's not alone
