Lonely feeling deep inside Find a corner where I can hide Silent footsteps crowding me Sudden darkness but I can see

No sugar tonight in my coffee No sugar tonight in my tea No sugar to stand beside me No sugar to run with me

In the silence of her mind Quiet movements where I can find Grabbing for me with her eyes Now Iâ€Â™ m falling from her skies

No sugar tonight in my coffee No sugar tonight in my tea No sugar to stand beside me No sugar to run with me
