Here I am, wide awake at midnight
Imagination sets my mind on fire
And I wonder what
She's doing without me
And who is filling her desires

Out of control crash landing
Can't keep my cool
Can't catch my head
Must be a way to bail out
I gotta get out

Don't do me, don't do me wrong
Don't you do it to me
Don't do me, don't do me wrong

The embrace from a lovesick woman
Situation seems to be at hand
So he offers her a hot martini
Or anything that her lips demand

Must get a grip, I can't get hold
She was all mine not long ago
Must find a way to get her back
I want her back

Don't do me, don't do me wrong
Don't you do it to me
Don't do me, don't do me wrong

Must get a grip, I can't get hold
She was all mine not long ago
Must find a way to get her back
I want her back

Don't do me, don't do me wrong
Don't you do it to me
Don't do me, don't do me wrong

Don't you do it
Don't, don't you do it
Don't you do it

Don't you do it to me

Don't you do it
Don't, don't you do it
Don't you do it
Don't you do it to me

Don't you do it
Don't, don't you do it
Don't you do it
Don't you do it to me

Don't you do it
Don't, don't you do it
Don't you do it...
