Is there any forgiveness for the things I've done
Is there a pardon for sinners, I know that I'm one

Before you
Before you

Would you take this heart of foulness, make it clean
again
Would you pour on me your mercy, as I confess my sin

Before you
Before you

(chorus)
Point my feet in the way they should go
Place your holy spirit in me
Lead me in the ways everlasting
I long to have a heart that's pure
I need to have a heart that's pure

Before you
Before you

Oh Lord forgive me
I need your mercy
Oh Lord forgive me
I need your mercy
