i've been known to lay around all day
waitin on that sun to go away
well thats when im up and slippin on my boots
and heading out that door to have a few

and then they call me cadillac
and when the blue eye holler back
say goodmorning boys lets go
or take a ride to the rodeo eo eo
throw the card for all the cowgirls
i mean some really know how girls
in the saddle or bare back
they call me cadillac

well ive been know to giggle on a joke
mostly when im smoking on my smoke
and most folks know its time for getting down
when i reach back and turn this hat around

and then they call me cadillac
and when the blue eye holler back
say goodmorning boys lets go
or take a ride to the rodeo eo eo
throw the card for all the cowgirls
i mean some really know how girls
in the saddle or bare back
they call me cadillac

well these hot little country mommas they turn me on
and i can hang there on that saddle all night long

and then they call me cadillac
and when the blue eye holler back
say goodmorning boys lets go
or take a ride to the rodeo eo eo
throw the card for all the cowgirls
i mean some really know how girls
in the saddle or bare back
they call me cadillac
one ride and they're coming back
they call me cadillac
