Yea I like to run with the ol' dogs  
Learned some bad habits from my Paw Paw  
I got an in with the outlaws  
An I can only sing like I talk Ya'll

I like to smoke from my left hand  
Crank it out, stomp in a bar band  
Firin' up another when the song ends  
And hangin' out here with my new friends...Cause'

(Chorus)

I'm the son of the son of the south  
Daddy redneck mama half hippie  
Taught how to talk straight not back or my little white  
butt get a whippin'  
I like catfish cookin on a creek bank kind you can't find  
in the city ya'll  
I ain't just whistlin' dixie

Well I ain't scared of a shotgun  
Folks around here we all got one  
Don't give a damn or a dat gun  
If ya don't like where I come from

I like a girl from a down home  
Even better without a thing on  
Jump in ya better hang on  
Fire it up an' were long gone...cause'

(Chorus)x2

Im the son of the son of the south  
Daddy redneck mama half hippie  
Taught how to talk straight not back or my little white  
butt get a whippin'  
I like catfish cookin on the creek bank  
kind you can't find in the city ya'll  
I ain't just whistlin dixie

Whistlin' dixie
