our class
in the middle of 'B' block
our class
in the middle of college
our class
near town in watford
our class
north of london
our class
in the south east of england
our class
in the north west of europe
our class
on a planet known as earth
our class
which is in the universe
our class
now u know where it is
our class
our class

when u get to
our class
be sure to check all us out

theres.....
lauren n lana
there quite shy

helens the oldest
n phill hes the youngest.

sophies known as dartford
and lee knows where it is.

siobhan always burps yet shes fit
and staceys the one with massive tits

then theres jodie shes real smart
and theres kerri whose a bit of a tart

lois changes the colour of her hair

whilst alicia dances everywhere

jemmas a bit of a grunge she likes rock
shes datin paul whose got a big c**k

kellys had a baby boy
n ians datin someone cllid roy

emma who is never in
and deepa who hates the singhs

then theres just myself n brett
who are the genious behind this song
we are very sorry that its so long
