when i was just a little boy
i had no plans about what i wanted
to be, i had lots of little plans
but nothing so concrete
i had to think, and run it through my head
they were all in my mind
(echo last two words)

cos im searchin for my inner self
searchin for u and me
theres nothin i want more
than to go searchin
searchin for u and me
(repeat last line)

i got to twenty two
yet i still had no clue
about what i wanted to be
who i wanted to have
where i wanted to see
i couldnt find my dream
it made me feel so low
(echo last 2 words)

cos im searchin for my inner self
searchin for u and me
theres nothin i want more
than to go searchin
searchin for u and me
(repeat last line)

i grew old and never knew
what it was all about
i never want my kids to make the same mistake
so what did i tell them.....

cos im searchin for my inner self
searchin for u and me
theres nothin i want more
than to go searchin
searchin for u and me
(repeat verse and fade)
