I want 'em
I need 'em
And I'm gonna go out and get 'em
White shoes
I know I'll
Feel better
When I slide down into the leather
White shoes

You know she left me with a lonesome blues
Been sittin' around too long with nothin' to do
Yeah, she really made me pay those dues
But, I'm going out on the town tonight
In white shoes
White shoes
Woah, woah, white shoes
White shoes
Woah, woah -- white shoes

Well, I woke up
Form a dream
When I saw 'em in a magazine
White shoes
I said, Jack
You gotta start new
And the first thing you gonna do
Is get some white shoes

You know she left she with a lonesome blues
Been sittin' around too long with nothin' to do
Yeah, she really made me pay those dues
But, I'm goin' out on the town tonight
In white shoes
White shoes
Woah, woah, white shoes
White shoes
Woah, woah -- white shoes

I want 'em
I need 'em
Yes, and I went out

And got 'em
White shoes

That new girl
When I see her
I'm gonna walk right up
And meet her in
White shoes

You know she left me with a lonesome blues
Been sittin' around too long with nothin' to do
Yes, she really made me pay those dues
But, I'm goin' out on the town tonight
In white shoes
White shoes, woah, woah
White shoes
Woah, woah -- white shoes
