3 a.m. and i'm all alone, try to call but i doubt you're
home
Not much has changed here on my end, sure would be
good to see you again
I know we had our fights, nothing since has felt that
right
Live my life from day to day, if i don't think too much,
everything's okay

Chorus:

But i miss holdin' your hand, miss goin' on walks,
miss bein' your man
I miss watching you sleep,
guess i just miss you with me

I still got that same ole car, still work at that run-down
bar
Still hangout with that same group of guys
And on Saturday nights, still go to that dive
It's been two months since i had a drink
damn good for me, don't you think?
Oh it's been a year now since you gone
oh i try my best but i can't move on

Chorus

If you give me a second chance, i'll never let you go
Swallowed all my pride and now i gotta let you know

Chorus
