Well I use to be crazy
Yea they called me a fool
Guess I wasnt myself
Back when I wanted you
See you come around again
Same look in your eyes
Id have to be crazy
To fall again for your lies

Cuz I'm gonna break these chains
Around my broken heart
You could of had it once
But you tore it all apart
Im gonna throw your crying eyes
Over my left shoulder
Not gonna let you wear your crown
This time around

No I cant stay a litte longer
Gotta be on my way
Ive heard a thousand times
Everything you gotta say
So I show myself to the door
And I'll turn out your lights
Ill get in my car
And you'll be alone again tonight

Cuz I'm gonna break these chains
Around my broken heart
You could of had it once
But you tore it all apart
Im gonna throw your crying eyes
Over my left shoulder
Not gonna let you wear your crown
This time around

Never thought I'd be so cold
But whatd you expect me to do
I cant put it all on hold
I learned it all from you

Cuz I'm gonna break these chains
Around my broken heart
You coulda had it once
But you tore it all apart
Im gonna throw your lying eyes
Over my right shoulder
Not gonna let you wear your crown
This Time around

Not gonna let you wear your crown
This time around
