When you were born
There in your mother's arms
An angel told me always you will be
A gift of love from God to me

Though your road is long
I'll be right by your side
Through changes you'll see always you will be
A gift of love from God to me

Love took flight the day you came into my life
There is magic in the way I feel

Hearts opened wide gazing into your eyes
I'll be there for you
As long as I am alive

I have never loved
More than I love you
A gift for free always you will be
A gift of love from God to me
