I'd do anything if you just let me hold you
I'd do anything to change your mind
I'd climb the highest mountain or swim the deepest
ocean
Anything to make you mine

Anything, anytime
Day or night, rain or shine
There ain't nothin' I won't do
Oh, to get to you

Is there anything I can say to make you love me?
Is there anything I haven't tried?
Well, I'd take you 'round the world just to walk you
down a dirt road
Anything to make you mine

Anything, anytime
Day or night, rain or shine
There ain't nothin' I won't do
Oh, to get to you

I'd give anything if I had you forever
I'd give anything to see that time
I'd walk upon my hands up the stairway to Heaven
Anything to make you mine

Anything, anytime
Day or night, rain or shine
There ain't nothin' I won't do
Oh, to get to you

Anything, anytime
Day or night, rain or shine
There ain't nothin' I won't do
Oh, to get to you

I'd do anything if you just let me hold you
I'd do anything to change your mind
I'd climb the highest mountain or swim the deepest
ocean
Anything to make you mine

I'd climb the highest mountain or swim the deepest
ocean
Anything to make you mine
