(feat. Tim Mcgraw)

[Randy]

Don't mistake me for somebody,
You think maybe just might give a damn.

[Tim]

You already think I'm crazy,
So common baby, try to hurt me if you can.

[Chorus - Duet]

Go on and cuss me out,
Go on and slam that door.

[Tim]

You can't throw nothin' at me,
I ain't see before.

[Duet]

Go on and put me down, can't fall off the floor.

[Randy]

Ah, you can't hurt a man who can't feel nothin' no more.

[Tim]

You can keep on tryin',
To see me cryin',
Swear I ain't lyin',
That well is all dried up.

[Duet]

And you can cheat me, leave me, laugh right at me,

[Randy]

Knock me over if it makes yah happy.
Girl, it's all your fault that I'm this tough.

[Final Chorus/Bridge - Duet]

Go on and cuss me out,
Go on and slam that door.
You can't throw nothin' at me,
I ain't see before.

[Duet]

Go on and put me down, I can't fall off the floor.

[Randy]

Ah, you can't hurt a man that can't feel nothin' no more.

[Duet]

Go on and cuss me out,
Go on and slam that door.

[Tim]

No you can't throw nothin' at me,
I ain't see before.

[Duet]

Go on and put me down, no I can't fall off the floor.

[Randy]

Ah, you can't hurt a man that can't feel nothin' no more.

[Duet]

Go on and put me down,
I can't fall off the floor.

Ah you can't hurt a man that can't feel nothin' no more.
