You may think that I'm talking foolish  
You've heard that I'm wild and I'm free  
You may wonder how I can promise you now  
This love that I feel for you  
Always will be

But you're not just time that I'm killing  
I'm no longer one of those guys  
As sure as I live  
This love that I give  
Is gonna be yours until the day that I die  
Oh baby

I'm gonna love you forever  
Forever and ever, amen  
As long as old men sit and talk about the weather  
As long as old women sit and talk about old men  
If you wonder how long I'll be faithful  
I'll be happy to tell you again  
I'm gonna love you  
Forever and ever  
Forever and ever, amen

They say time takes it's toll on a body  
Makes a young girl's brown hair turn gray  
Well, honey, I don't care  
I ain't in love with your hair  
And if it all fell out  
Well I'd love you anyway

They say time can play tricks on a memory  
Make people forget things they knew  
Well, it's easy to see  
It's happening to me  
I've already forgotten every woman but you  
Oh darling

I'm gonna love you forever  
Forever and ever, amen  
As long as old men sit and talk about the weather  
As long as old women sit and talk about old men  
If you wonder how long I'll be faithful

Just listen to how this song ends  
I'm gonna love you  
Forever and ever  
Forever and ever, amen  
I'm gonna love you  
Forever and ever  
Forever and ever  
Forever and ever  
Forever and ever, amen
