You may think that I'm talking foolish
You've heard that I'm wild and I'm free
You may wonder how, I can promise you now
This love that I feel for you always will be...

You're not just time that I'm killing
I'm no longer one of those guys
As sure as I live
This love that I give
Is gonna be yours until the day that I die!

Oh baby, I'm gonna love you forever
Forever and Ever, Amen
As long as old men...sit and talk about the weather,
As long as old women sit and talk about old men!
If you wonder how long I'll be faithful
I'll be happy to tell you again
I'm gonna love you, forever and ever
Forever and ever, Amen

They say time takes its toll on a body
Makes a young girl's brown hair turn gray
Well honey I don't care
I ain't in love with your hair
And if it all fell out... Well I'd love you anyway
Well they say time can play tricks on a memory
Make people forget things they knew
Well it's easy to see...it's 'happenin to me
I've already forgotten every woman but you

Oh 'darlin, I'm gonna love you forever
Forever and ever, Amen
As long as old men...sit and talk about the weather,
As long as old women sit and talk about old men!
If you wonder how long I'll be faithful
Just listen to how this song ends
I'm gonna love you, forever and ever
Forever and ever, Amen

Yes, I'm gonna love you
Forever and ever

forever and ever
Forever and ever
Forever and ever, Amen.
