Get on your knees and tell the Lord all about it  
Get on your knees and tell the Lord your heart  
He is there, He'll always listen  
He will never, no never depart.

He died for you, He died for me  
And He defeated everything that troubles us now  
Executed on the Cross of Calvary  
At it's foot we're to humbly bow.

Get on your knees and tell the Lord all about it  
Get on your knees and tell the Lord your heart  
He is there, He'll always listen  
He will never, no never depart.  
(Get on your knees.)

He is our friend, He is our Lord and only Savior  
Life abundantly He so wants to give  
As we give up and He comes in daily  
Within our hearts to live.

Get on your knees and tell the Lord all about it  
Get on your knees and tell the Lord your heart  
He is there, He'll always listen  
He will never, no never depart.  
(So, get on your knees.)
