I found myself  
In a cross condition  
Maybe it was her  
Maybe it was me  
Somethin's wrong  
There was somethin' missin'  
I couldn't stand to stay  
So I had to leave

A half a tank of gas  
Brought me this distance  
Half a mind to run  
Got me this far  
There's a woman willin'  
Where there ain't no witness  
'Cept the one that lives  
In my heart of hearts

My heart of hearts  
Won't lie to me  
It won't tell me things  
That I can't believe  
I better stop this thing  
Before it starts  
'Cause it don't feel right  
To my heart of hearts

I could be tastin'  
Stolen kisses  
But that might  
Tear my world apart  
When it all comes down  
To my wish of wishes  
I'd have to go with  
My heart of hearts

My heart of hearts  
Won't lie to me  
It won't tell me things  
That I can't believe  
I better stop this thing  
Before it starts

'Cause it don't feel right  
To my heart of hearts

I better stop this thing  
Before it starts  
'Cause it don't feel right  
To my heart of hearts

My heart of hearts  
Won't lie to me
